The above mentioned medical evaluation and treatment, cost and length of stay are according to the best of our abilities. They do not cover unexpected medical complications, medications, devices and services purchased outside the hospital and any additional expenses, e.g., accommodation, extras, transportation, etc., neither for the patient and nor for the accompanying person. The Medical Center is entitled to change or not to perform the suggested medical treatment and this according to the actual medical condition of the patient at the time of arrival.

It is of paramount importance that all available original clinical, laboratory (especially pathological and hematological slides) and imaging data (X-rays, CT-scans, US-pictures) should be brought to us together with the patient.

The cost estimate above will be valid for 1 months.

This quotation is provided for informational and estimation purposes only and does not constitute a binding offer or fixed price. The final charges may differ based on the actual treatment and services rendered, as determined in professional discretion. Only the final invoice issued upon completion of treatment shall be final and definitive.
