To whom it may concern

Ref: Biruk Viyaleta - Ewing Sarcoma relapse- estimated cost of treatment

Dear Sir/Madame, following the diagnosis established at Schneider Children's Medical Center of Israel, Dr. Shira Amar, Head of Solid tumors Unit at the Hemato-Oncology Department and Dr. Orly Michaeli, leading onco-genetics specialist, strongly recommend to start chemotherapy in advance, evaluation after two courses of chemotherapy, craniotomy surgery and radiotherapy. If clinically indicated during the course of treatment, autologous hematopoietic stem cell transplantation may be required.

| Procedure                                                                                                                                                                                                                                                                                                                                                                       | Quantity | Price for one    | Total price       |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|------------------|-------------------|
| Hospitalization day with chemotherapy (2 cycles)                                                                                                                                                                                                                                                                                                                                | 10       | 2,650 USD        | 26,500 USD        |
| Hospitalization day without chemotherapy (2 cycles)                                                                                                                                                                                                                                                                                                                             | 2        | 1,650 USD        | 3,300 USD         |
